FOREWORD

We, the class of 1950, have witnessed the culmination of a half century of progress. Never has scientific research in any period of history produced such startling changes as in the first fifty years of the twentieth century. As this half century of miraculous inventions and discoveries ends, it is the fervent wish of the class of 1950 that each and everyone of us may contribute something worth while to the peaceful advancement of the future in the hope of building a better world in the next half century to come.

To You . . .

Harold E. Kuhn, we the class of 1950, gladly dedicate this our yearbook.

You came to us in 1931 and have been the director of instrumental music in our High School for the past eighteen years.

Those of us who have worked with you will always remember your inspiring leadership and fine musical talent. We will ever appreciate the long hours of hard work and planning devoted to our musical organizations in the presentation of so many and varied programs.

MR. ROBERT LONG

ALBERT GUTH

JAMES BROWN
Vice-President

As our senior year draws to a close we still have the most important event of all to look forward to—Graduation Day. With this occasion in view, we naturally pause, as we shall do many times in the future, to remember the wonderful times which have made our high school days so enjoyable. The coming years will find members of our class in colleges and other schools, in business, and in industry, but we will always have one common denominator—memories of the "good old days" at Caldwell High. Although many of us choose to treasure memories of the little pleasures and close friendships we have made in preference to some of the big events, nevertheless, we will give a brief resume of the most outstanding social functions of our four years in G.C.H.S.

We begin with September, 1946. After learning to find our way through the halls and finally feeling we knew each other sufficiently well, we elected our freshmen class officers. They were: Bob Florio, President; Sandy Walsh, Vice-President; Betty Hauff, Secretary; Ginny Hart, Treasurer. The St. Patrick's Day dance the following March was the first big occasion of our high school social life. That year, besides participating in J. V. football, basketball, and other sports, the freshmen dominated the honor roll.

In September, 1947, we entered our sophomore year with much more assurance. Our officers for this year were: Joe Mesics, President; Charlie Edson, Vice-President; Shirley Dahl, Secretary, and Sandy Walsh, Treasurer. Everyone enjoyed the "Soph Hop", our greatest social event of this year. By now, even without a crystal ball, we could see who the stars of the future would be. We could easily guess who would receive gridiron fame, who would lead our activities, who would be our spokesmen, and who would be our best friends.

In September, 1948, knowing that our junior year would be a busy one, we elected our officers immediately upon returning from the summer vacation. They were: President, Jack Ward; Vice-President, Nancy Ericson; Secretary, Lee Wagner; Treasurer, Buddy Major.

Our Class History

We worked energetically through the entire year in order to raise money for our Junior Prom. The first project was the erection of a refreshment stand for the home football games. Through the efforts of Mr. Arnold and the committee of juniors, this venture proved to be very successful and as a result it has been continued ever since. Next came the cake sale to which many of our mothers, besides the girls who could bake, contributed their culinary ability. The financial success of this venture, plus the sale of Christmas cards enabled us to plan a spectacular prom. The efforts of the prom committee were well rewarded by the beautiful results. The gym was decorated to represent a southern plantation and everyone enjoyed the gentle mood created by the southern atmosphere and dreamy music of Don Dornay's band. Our junior year was a gay whirl with basketball games, canteens, parties, and, in general, much pleasure for everyone.

After a wonderful summer of vacationing we entered in September, 1949, the most memorable year of all—Our Senior Year. Realizing that seniors set an example for the underclassmen to follow, we took the responsibility of leadership, good sportsmanship, and good behavior, with seriousness and pride. Under the guidance of our officers, Al Guth, Jimmy Brown, Hilda Weiss, and Barbara Taylor and with the assistance of our class adviser, Mr. Long, we began our first campaign of the year, the sale of magazines. With this successful venture completed and now with money in our till, in December we held an informal senior dance, called the "Senior Shuffle". Shortly after this came Christmas vacation, a gay time, as there were many exciting parties. Then before we knew it the mid-year exams were upon us. By this time everyone was busy planning for next year, but still enjoying the fun of being a senior. We are now looking forward eagerly to our high school play, and to the events which will climax a most memorable high school career; the Senior Ball, the Junior Prom, Class Night, the Senior Banquet, and finally the most important event of all, Commencement!

JUNIORS

SOPHOMORES

The class of '51 started its Junior year with a bang! The problem of our finances loomed large before us, but many willing and hard-working juniors rose valiantly to meet it. We bent to the task of raising money with vigor and met with much success. According to tradition, we sold hot coffee, candy and doughnuts at our home football games and also gay boxes of Christmas cards and wrapping paper before the holidays. All sold exceptionally well. Our annual cake-sale was also a huge success for our thin pocketbooks.

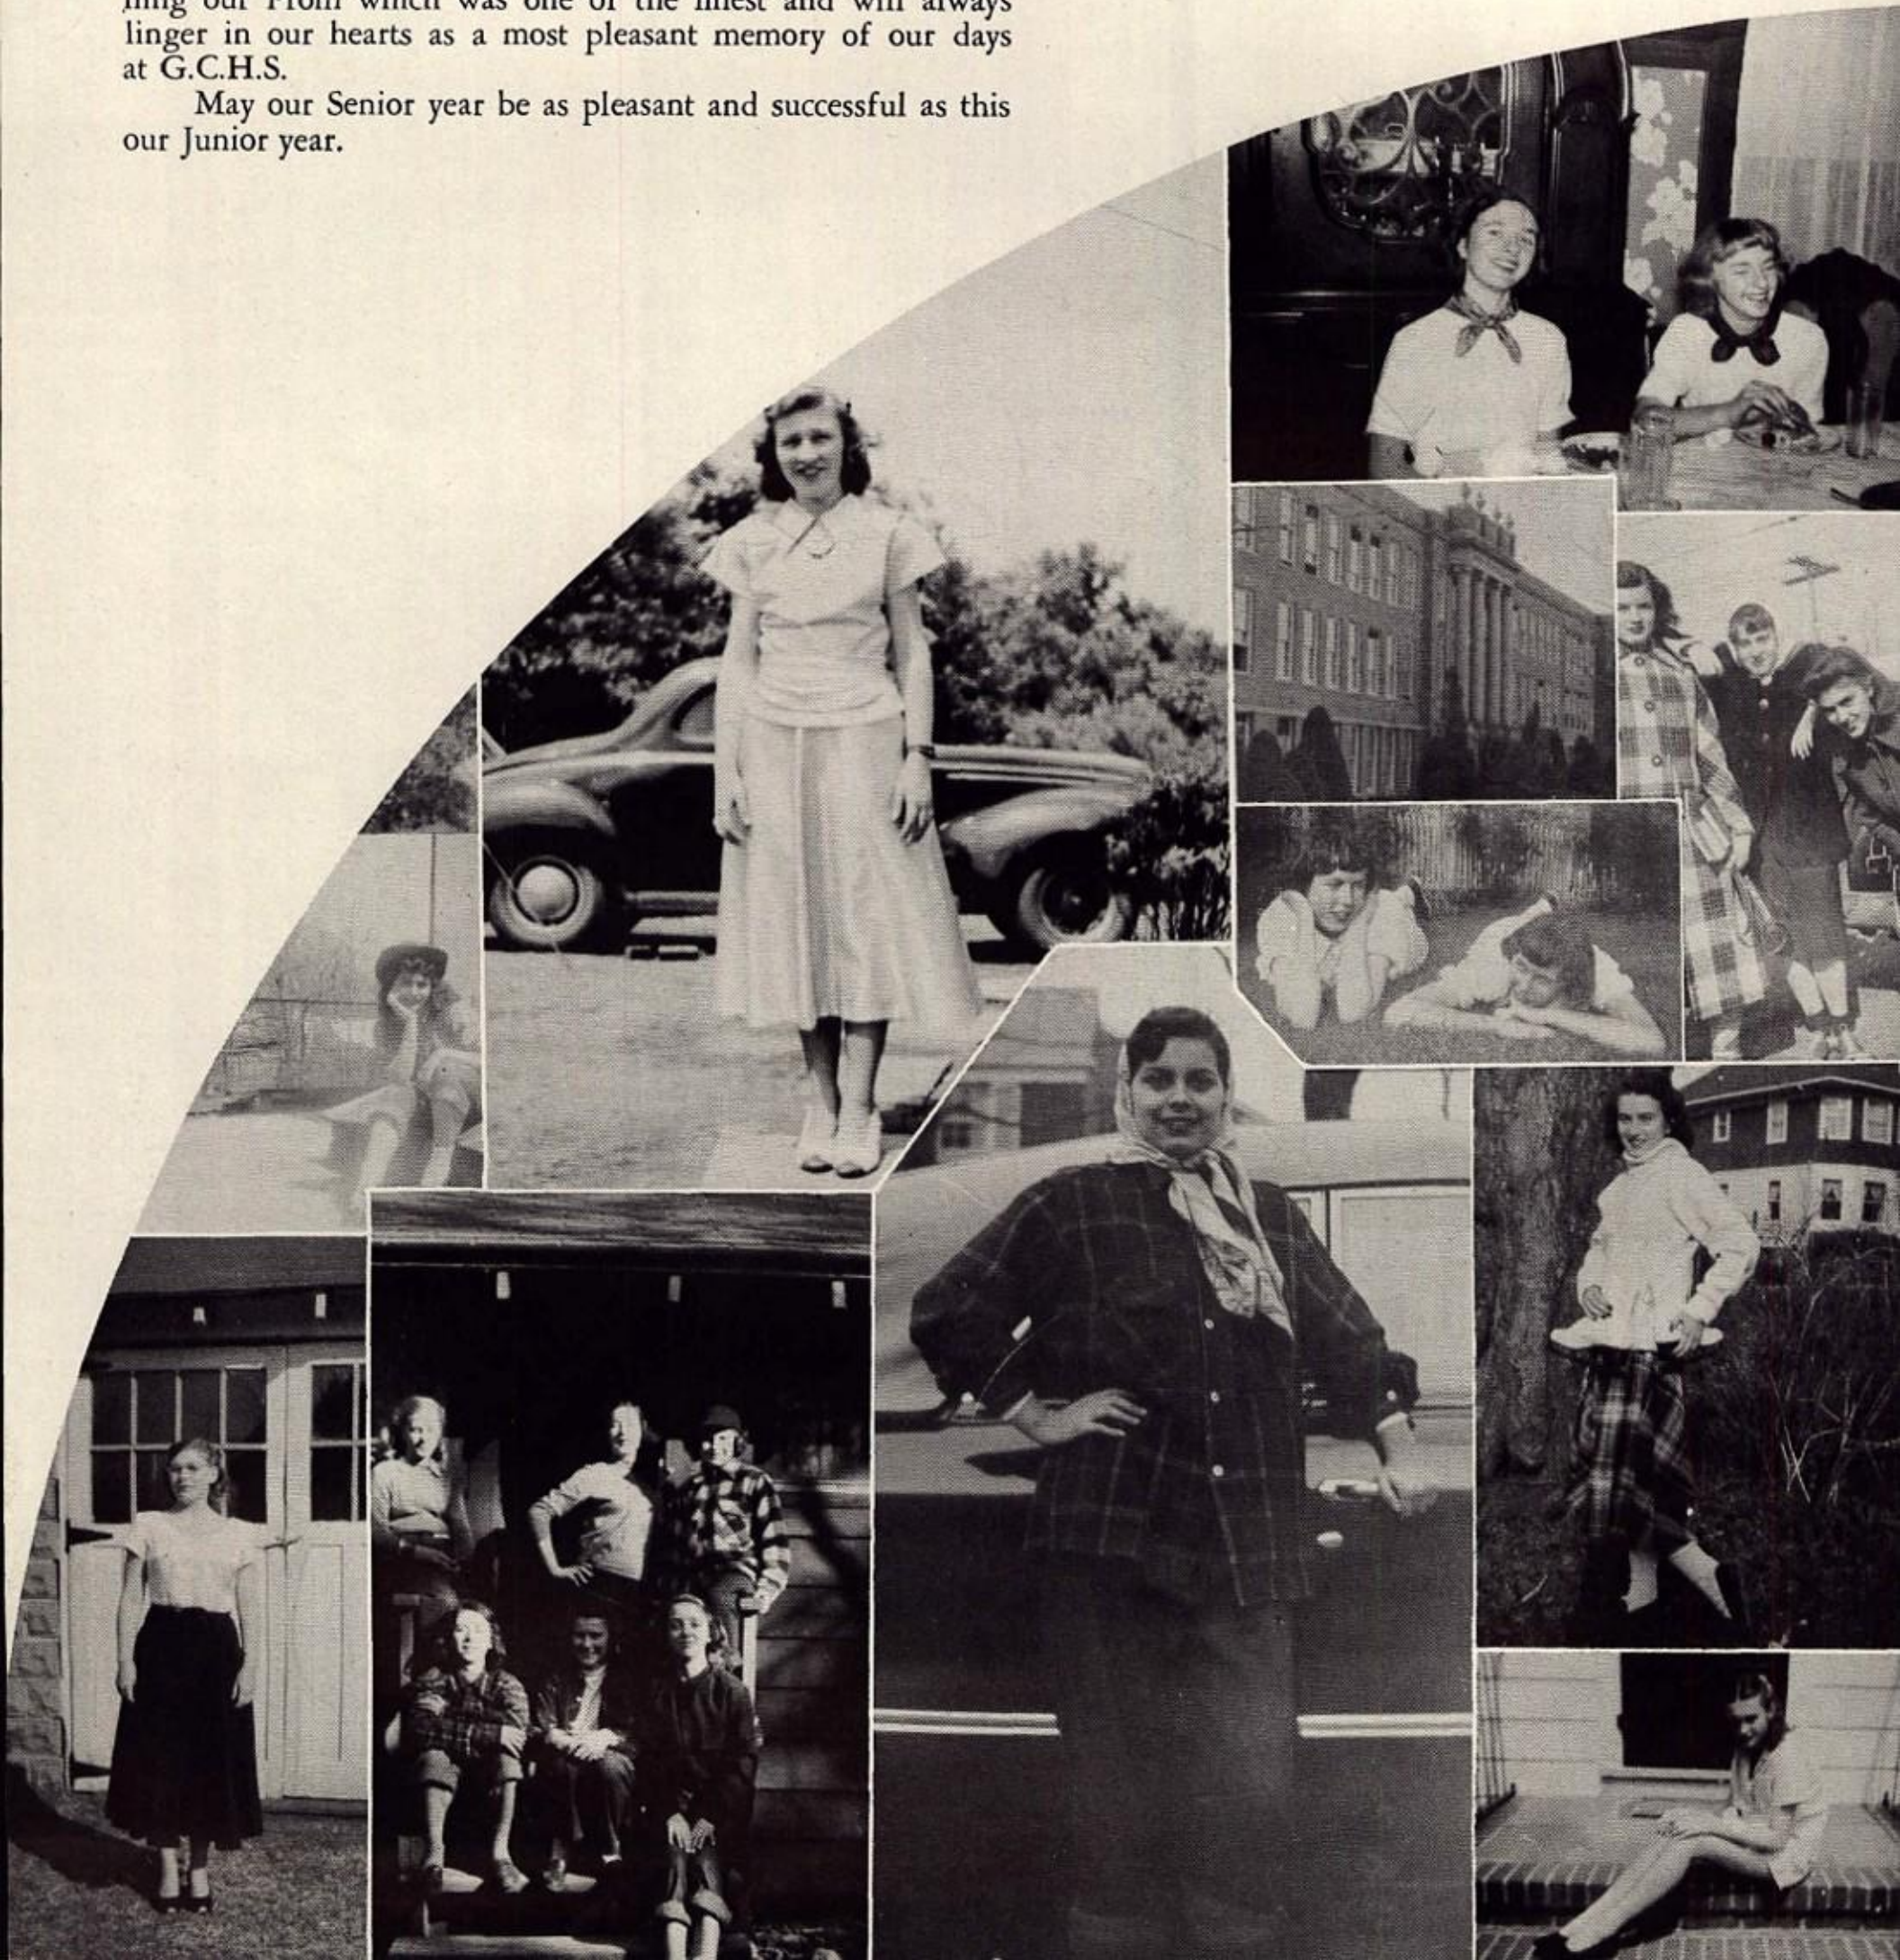

Finally, well fortified as to finances we then started planning our Prom which was one of the finest and will always linger in our hearts as a most pleasant memory of our days at G.C.H.S.

May our Senior year be as pleasant and successful as this our Junior year.

We sophomores certainly ought to be proud of our class. It appears to be "packed" with "characters" and talent: athletic, musical, dramatic, and otherwise.

Betty Joan Wilson, a very inspiring and capable leader, planned a most unusual "Soph Hop" and there's no doubt but that it was tops.

Our J. V. football squad was victorious in six out of seven games and we feel certain our sympathy shall go out to our poor opponents when we become seniors.

MORES

The basketball team is what you might call "hot" but at this writing a summary of scores can not be given. We cannot now predict our baseball scores; however, basing our hopes on our sophomore performance, we feel safe in saying we'll have a good season.

All in all, we behold the past year with a deep sense of satisfaction and a knowledge of work well done.

FRESHMEN

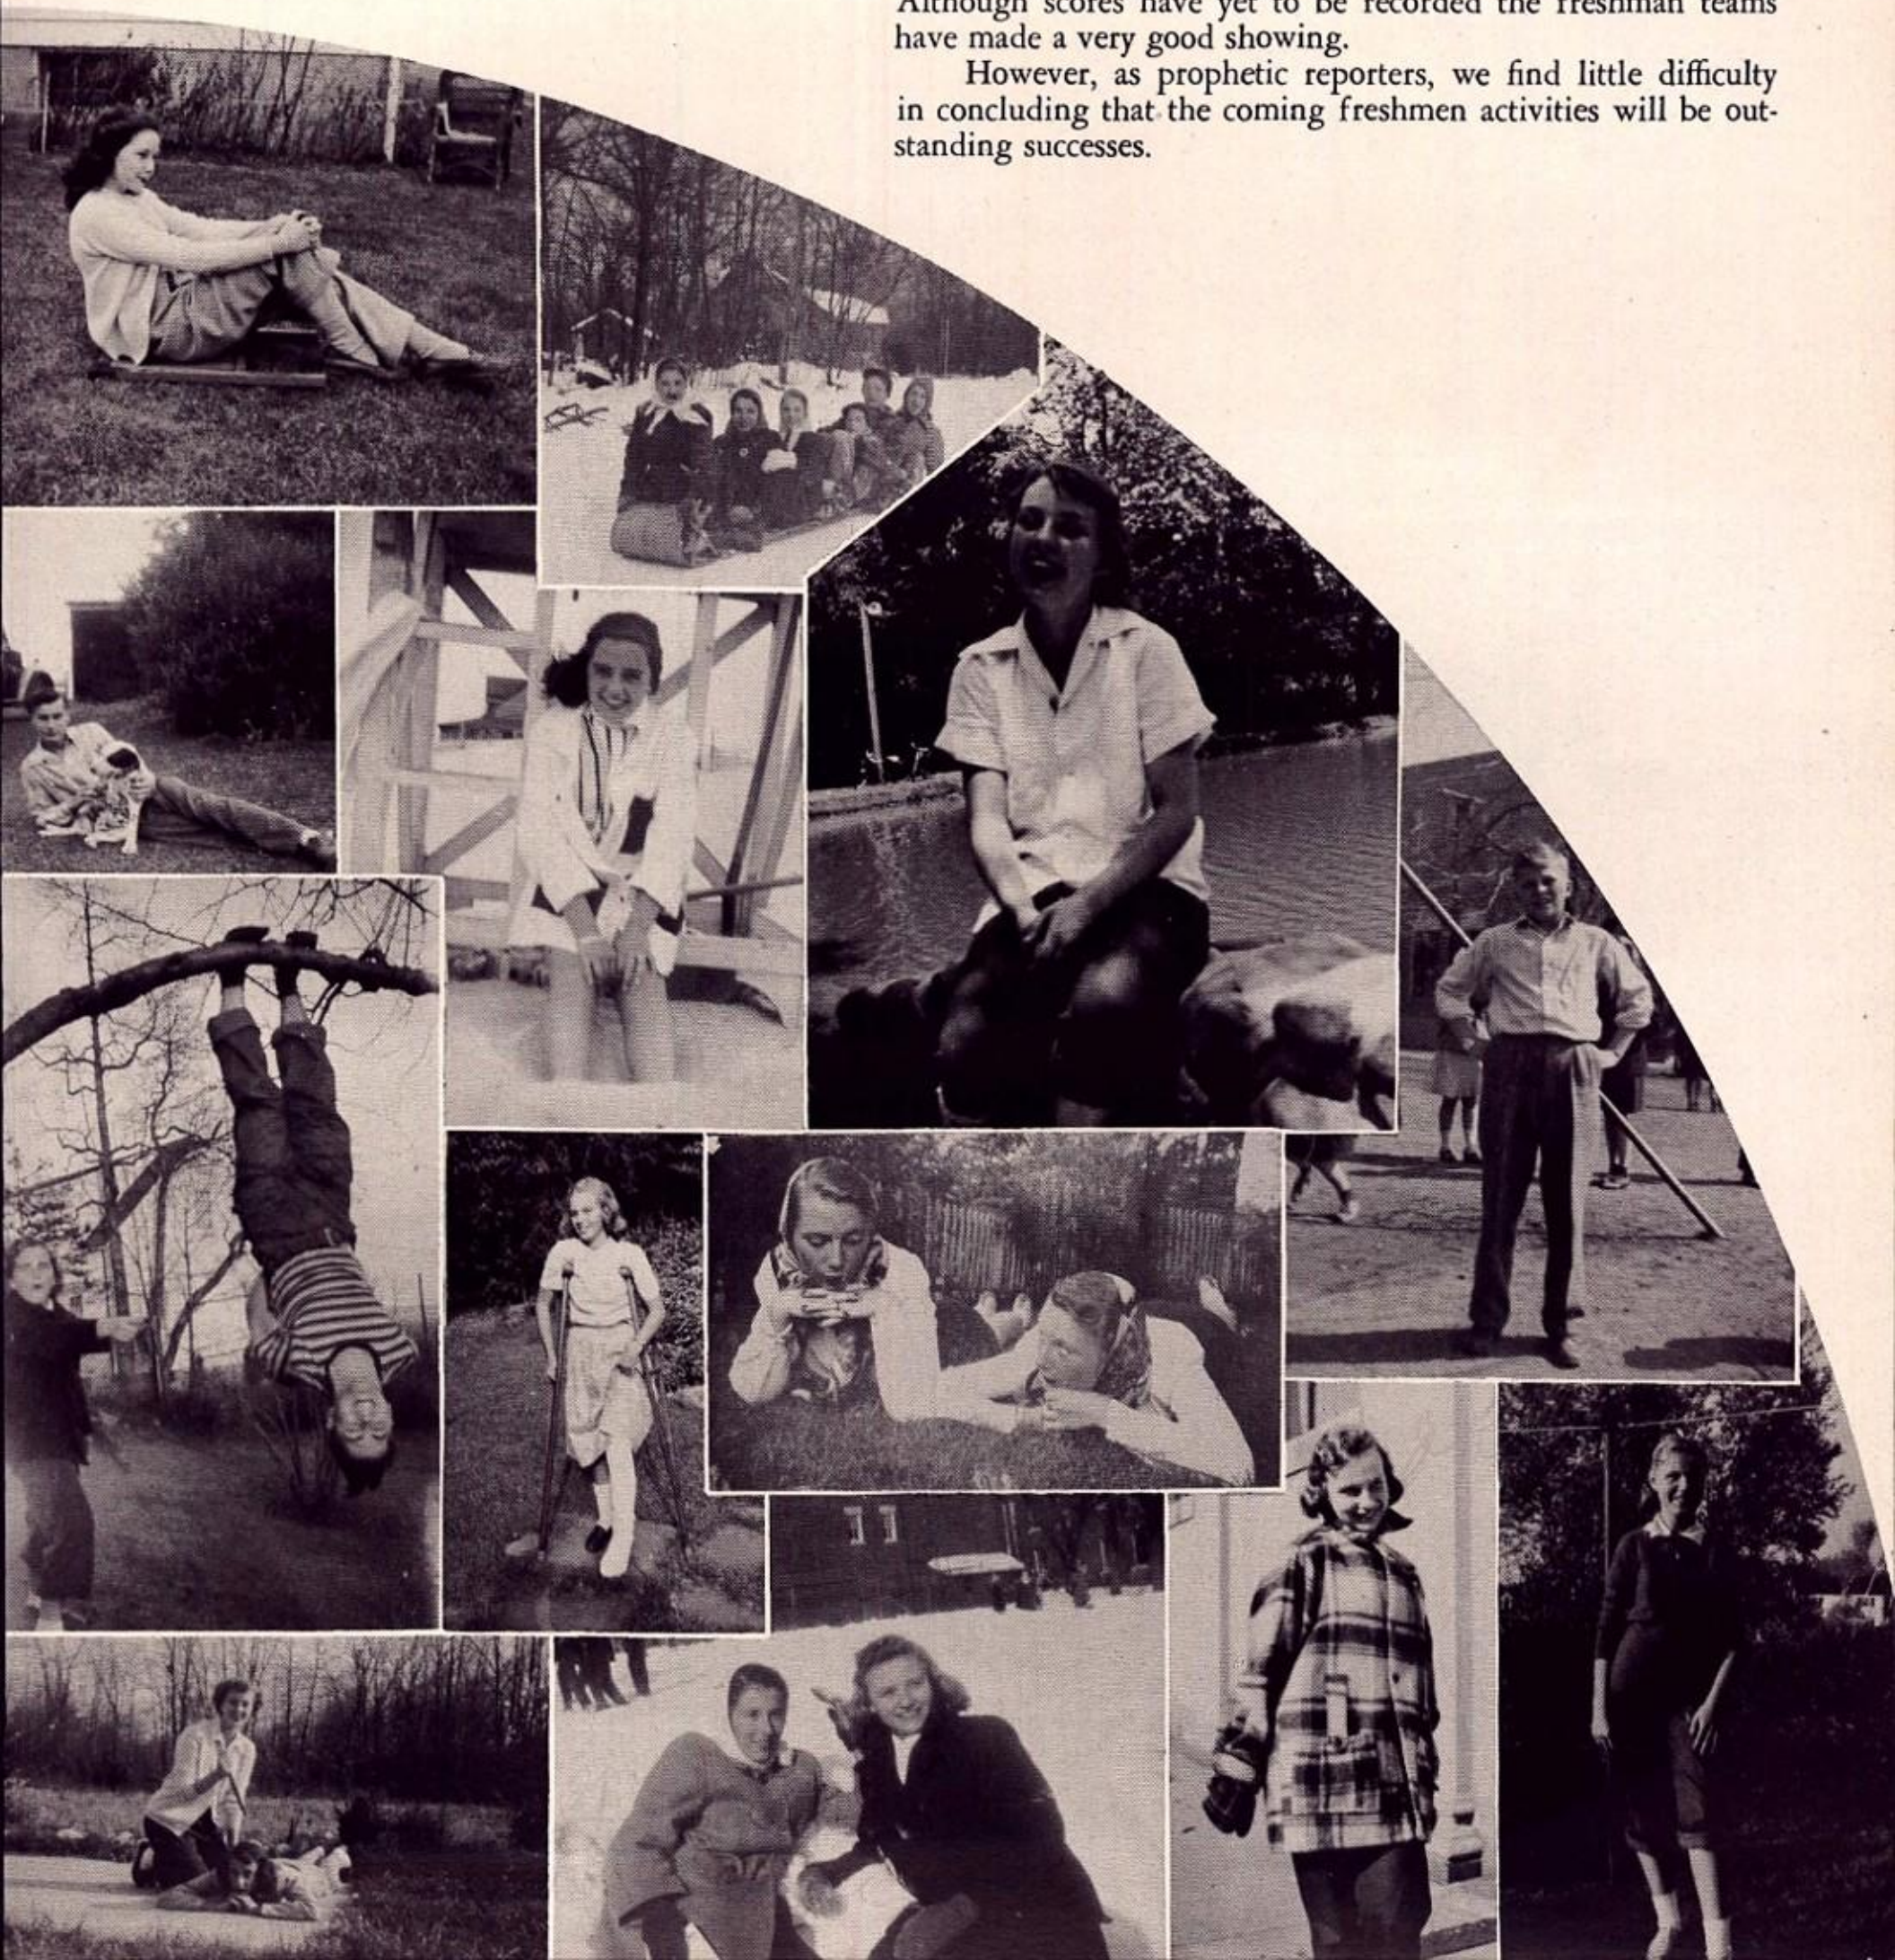

The year of nineteen hundred and fifty has held many exciting events for the Freshman class.

Playing an important part in our various activities has been the Freshman Council under the able guidance of Mr. Tierney.

The first event engineered by the council was a movie to raise funds for the class. It was the Hollywood comedy production "Sitting Pretty". Its success could be attributed to the work of the committees, and of course, to the fine turnout.

The sports have played a major part in our activities, also. Although scores have yet to be recorded the freshman teams have made a very good showing.

However, as prophetic reporters, we find little difficulty in concluding that the coming freshmen activities will be outstanding successes.

ACTIVITIES

THE SENATE

First row: Doris Schubert, Barbara Baumgaertner, Reita Sarles, Joan Throckmorton, Marva DeFore, Nancy Ericson, Shirley Dahl, Betty Peters, Patricia DeVaney. Second Row: Donald James, Richard Zock, Elinor Blazek, Betsy Just, Marianne Rudolph, Jessie Lynch, Hilda Weiss, Allan Bell, Jack Furhmann, Mr. Stryker. Third row: James Gormley, Robert Tisdale, William Belton, Albert Guth, James Brown, James Johnson, Malcolm Fischbach, Joe Mesics, Fred Heimall, Charles Edson. Fourth row: William Aiken, William Borman, John Percy, Dave Slayback, Tom Bates, Jack Joos, Dave Moore, Irving Risek, Alfred Bancroft, Harvey Spevak, Frank Rauschenkerger.

This year the Student Senate has been the most outstanding of all school activities. Never before has this organization been backed by such school spirit and enthusiasm as was displayed by the student support of the Thanksgiving pep rally and by the interest in the Senate sponsored contests.

Some of the greater accomplishments of the past year included the Suburban Conference assembly, the new school book covers, transportation to varsity games, and the badly needed revision of our yearbook elections. Probably our greatest achievement has been

raising the question of merit exemptions from senior June examinations. This has been discussed with the administration and faculty and we have high hopes of success.

This past year has been an active one and members of the Senate have been kept busy planning for our future sports dinner, decorating of canteens, and setting up an award system. The student senate looks upon its success of the past year with pride and would like to express its thanks to the student body for its wonderful support and cooperation.

STUDENT COUNCIL

First row: Elinor Blazek, Nancy Ericson, Shirley Dahl, Hilda Weiss. Second row: Bill Borman, David Slayback, James Brown, Mr. Stryker.

The Student Council is an organization, which is composed of two members from each class chosen from among the members of the Senate.

The only officers of the Council are the president and secretary of the Senate, Nancy Ericson and Shirley Dahl respectively.

The duties of the Student Council are to discuss problems, and to make recommendations to the Senate. The Council has no authority to pass bills, nor to make decisions in regard to matters of policy.

However, the Council first discusses suggestions made by the students with the faculty adviser and then these suggestions of the students or any problems submitted by them are presented to the Senate, after being carefully considered and changed if necessary. The Council is an advisory body only, while The Senate is a legislative body.

The Council has no regular meeting time but a meeting is called whenever the President thinks one is needed to study student recommendations.

THE COMMENTATOR

First row: Marianne Rudolph, Elaine White, Bette Lou Kind, Geoff Gaulkin, Phyllis Brydon, Gerrie Brugler, Virginia Rhode, Peter Myer, Ed Schneider, Gertrude Cox, Jean Roach. Second row: Alma Fieger, Sally Kraemer, Roberta Stevens, Doris Mulligan, Chris Jensen, Sally Wolcott, Cynthia Dalton, Lee Wagner, Joan Beck, Betty Zahn, Mr. Long. Third row: Marjorie Pfitzenmeyer, Shirley McMahon, Jane Baker, Ellie Beetle, Mike Ginty, Lucille Adenis, Carol Grossman, Ginnie Steffens, Gloria Donahue, Barbara Mooney, Nancy Ericson, Shirley Antis, Teddy Starcke. Fourth row: Gail Griffith, Barbara Brewster, Nancy Anderson, Thelma Nolan, Adele Voorhees, Jessie Lynch, Carol Dey, Meta Everett, Joanne Snader, Bill Borman, Peter VanVoorhees, Joe Gabriele, Dave Atkinson. Fifth row: Howard Nelson, Emil Neu, Lindsay Meyer, Dick Johnson, John Palmer.

The school paper of G.C.H.S. is our *Student Commentator*. This year a new plan of editing the paper was devised. We had, for the first time, co-editors—Gerrie Brugler and Phyllis Brydon, while Mr. Long was selected as the adviser. In the fall the co-editors called a meeting at which the various staffs were organized. At this time the theme and general plan of the first issue was decided upon. Later each staff editor handed out assignments and work was begun. After overcoming many handicaps, such as a lack of typists

and a broken mimeograph machine, the first issue appeared. With the experience of completing one issue, the editors found the successive issues easier to assemble.

The contents of the *Commentator* always meet the approval of the students and their only criticism is that it is not published more frequently. The present staff accepted a responsibility of hard work and constant progress, and aside from a few missed deadlines, has fulfilled its duties in true journalistic style.

ASSEMBLIES

This year we have been privileged to have had much variety in our assembly programs which is shown by a few of our outstanding ones.

In September we were welcomed back to school by Mr. Rutter, and we were then ready to begin a new school year with fine resolutions.

In October we had the annual Clarion elections and the annual Senate program.

In November we had a most enjoyable Spanish musical, by the students of Montclair State Teachers College and an excellent play by Miss Pettet's dramatic club.

In December the outstanding program was the lovely Christmas Pageant while in January we had our first student participation show, and an excellent display of magic by our able magician George Kresge.

In February the dance band presented us with some of their lilting music, and also the annual American Legion Oratorical Contest was held.

In March we were treated to another good play by Mr. Robbins' dramatic club and to another talent show by Sally Kraemer.

In April we enjoyed the G.E. House of Magic.

In May we held the Suburban Conference exchange assembly, in which all six conference schools presented excellent skits.

Then in June came the final senior assembly, truly deep and moving, for with the singing of our Alma Mater we realized that our high school assemblies were over.

BAND

First row: Carol Smith, Nancy Beers, Betty Zahn, Nancy Tanner, Yvonne Young, Mary Hoffman, Meta Everett. Second row: Barbara Brewster, Ernest Schuttenberg, Burrie Hugg, Janet Glerum, Kenny Davis, Edgar Gelman, Theodora Starcke. Fifth row: Mr. Kuhn, Mary Goeckel, Mary George, Donald Eberle, Robert Batta, Frances Peck, Germaine Brugler.

What a band this is.

Don Zang

Just as thrilling as a long run down the gridiron with the crowd going wild, was the Caldwell High School band at intermissions, with colors flying and majorettes stepping high all paying homage to the Blue and White.

At the Bloomfield Tech football game the band made its first appearance this fall in glamorous new uniforms, to cheer the team on to victory.

These forty students under the capable direction of Mr. Kuhn kept our spirits high throughout the entire football season and added a great deal to all our games.

This school year a revitalized orchestra also under the guidance of Mr. Kuhn, got off to a good start with many new and interesting pieces. These able musicians surely added their bit to many occasions by playing in assemblies, at open house, and at graduation.

One of the favorite musical organizations of any high school is the dance band and our school is fortunate enough to have one. It is composed of seven boys who play together with harmony-rhythm as their key note. The dance band programs in assembly are very popular ones which are looked forward to by all the students.

Under the supervision of both Mrs. Axtell and Mrs. Luini, the glorious and rousing mixed chorus, fifty voices strong, and our harmonious glee clubs have put on many delightful programs this year, the highlight being the traditional Christmas play.

For this program the public speaking classes and the mixed chorus, worked together to present three colorful tableaux depicting the nativity. The first tableau was that of the shepherds watching their flocks; the second was that of the three Wise Men and the third depicted the scene of the Holy family at the manger with the shepherds and Wise Men. While the tableaux were being presented the vocal groups sang several appropriate carols.

The entire production was lovely and most inspiring.

JUNIOR RED CROSS

Without a doubt one of our most important clubs is the Red Cross which is under the fine direction of Mrs. Joiner. Every year we have reason to be proud of its many achievements. This year's include making sewing kits and useful gifts for the children in Europe, writing portfolios, collecting cross word puzzle books and knitting an afghan for the veterans' hospital. The girls enjoy working together for such worthy causes, and deserve a great deal of credit.

Mrs. Joiner, Adviser. Members:
Alice Coppedge, Doris Coppedge,
Mary Edeburn, June Filipow,
Sophie Filipow, Darleen Hall-
berg, Mary McGuirk, Nona Napo-

THE RECEPTIONISTS

The receptionists under the supervision of Mr. Wilt, have continued in their gracious way to greet visitors to our school. As the name of this group implies, their purpose is to receive visitors and to inform them as to the location of the different offices and rooms. The receptionists are carefully selected students who are posted at strategic places in our halls throughout every period. We are proud of their splendid job and wish to give them a most hearty thanks!

This year, as in previous years, the Visual Aids Department undertook the task of presenting all films, both in our assemblies and in our classrooms. In addition to this the boys and girls learned to operate the sound and silent projectors, the slide machines and the microphones used in assembly programs.

Under the capable direction of Miss White the group did a fine job and deserves a vote of thanks from everyone.

VISUAL AIDS

Miss White, Advisor. Members: Eberhard Bareiss, Phyllis Caesar, Jack Corwin, Horace De Finis, Harriet Forgie, Dick Galusha, Karl Hofinga, Barbara Horter, William Illge, George Kelly, John Nolan, Dean Parkhurst, Robert Schurman, Edgar Szekely, Kay Varrick.

Mr. Sharpe, Advisor. Members: Alec Bencsko, Wesley Fryer, Sally Kraemer, Barbara Mooney, Virginia Steffens.

Room 29, home of misplaced articles, is the place to go when seeking a lost item. Here is located the Lost and Found Box in which articles of all descriptions are kept. Although the committee would like to see all possessions recovered, those unclaimed at the end of the year are either sold or given to the Red Cross. Thus under the direction of Mr. Sharpe, this group has carried out its most important work and deserves the thanks of all.

JUNIOR PROM

Always one of the most outstanding events of our Junior year is our Junior Prom. Naturally we think our Prom last year was the best ever. Our theme was a most picturesque and romantic one, that of an old southern plantation, with magnolia trees, cotton fields and even a gracious, pillared manor house. The beautiful scenery and the superb orchestra made our Prom one that we will always remember.

CLASS PLAY

This year the students presented the snappy, fast moving comedy, *Our Hearts Were Young and Gay*, under the able direction of Mrs. Aldrich.

The play depicted the adventures, on a trip to Paris, of two young girls, Cornelia Otis Skinner, played by Betty Joan Wilson, and Emily Kimbrough, played by Joanne Rosengrant. Their humorous and sometimes rather tragic experiences provided a great deal of confusion and excitement which kept the audience in gales of laughter.

FOOTBALL

The 1949 football team had an outstanding record as far as the Suburban Conference was concerned. Under the superb coaching of Mr. John Brown, head coach, and Mr. Dwight Burr, assistant coach, our team won five out of eight games. However, due to the fact that we lost a heart breaker to Glen Ridge, Caldwell missed winning the Suburban Conference by one point.

Starting at right end, was Jimmy Brown, an exceptional pass receiver, and at right tackle was Fred (Ox) Eckhardt a terrific blocker. Don Shoolbraid, hard hitting right guard, was injured early in the season, but Jack (Tiger) Ward, did a splendid replacing job. Alternating at center were Bob (Red) Martin and Ben Russell both of whom were very vital in stopping our opponents while at left guard, Wayne Bren was impassable. Left tackle was played by our outstanding co-captain Joe Mesics, and at left end Bill Doran was valuable on offense and defense. Our other co-captain, Paul Leonard, held the important quarterback position and proved an exceptional passer. Hard running Jerry Bradley,

alternated at wingback with speedy little Harry James. Bob Yancy was a flashy broken field runner, as was also Walter Zoolkoski. Our unstopable line buster Al Pfister, played the all important position of fullback.

Because of the large number of candidates, Caldwell was able to use a modified two platoon system. Some of the alternates who made possible the use of this system were Paul Furlong, Skip Cleveland, Ed Schneider, Frank Viscardo and Henry Cymansky.

Most able substitutes were Ed Evans, Dick Blumenheim, Charlie Edson, Brian Courtney, Fred Goduti, Pete Gray, Tom Bryant and many others.

The following were chosen or mentioned for All-State or All-Surburban Conference teams, Al Pfister, second team All-State, All-Essex County and first team All-Surburban Conference, Joe and Bill mentioned for All-Essex County, All-State and first team All-Suburban Conference, and also Paul Leonard and Wayne Bren mentioned for conference team.

May future teams continue the good work and bring many victories to G.C.H.S.

BASKETBALL

The 1949-50 basketball season at Caldwell High began in the first week of December, with the pre-season intra-squad scrimages. The largest squad in several years turned out to greet Mr. Dwight Burr, new head basketball coach.

The new coach and system were tested out in the annual alumni game. The varsity ran wild, piling up 77 points while running the alumni team into the ground.

In the first regularly scheduled game Caldwell got off to a slow start before defeating an outclassed College High "5" 76-59.

The following games with Summit and Glen Ridge proved to be two disastrous afternoons, for coach Burr's cagers lost both games by margins of 16 and 5 points respectively. The team finally got rolling by sending Madison and Verona down to defeat by scores of 44-38 and 48-32. The big game with Millburn, who was undefeated, was next on the schedule. Playing the best game of the year, the team was in the game until the final minute of play. The Millers won 52-48, showing their polished attack, which won the Suburban Conference Championship.

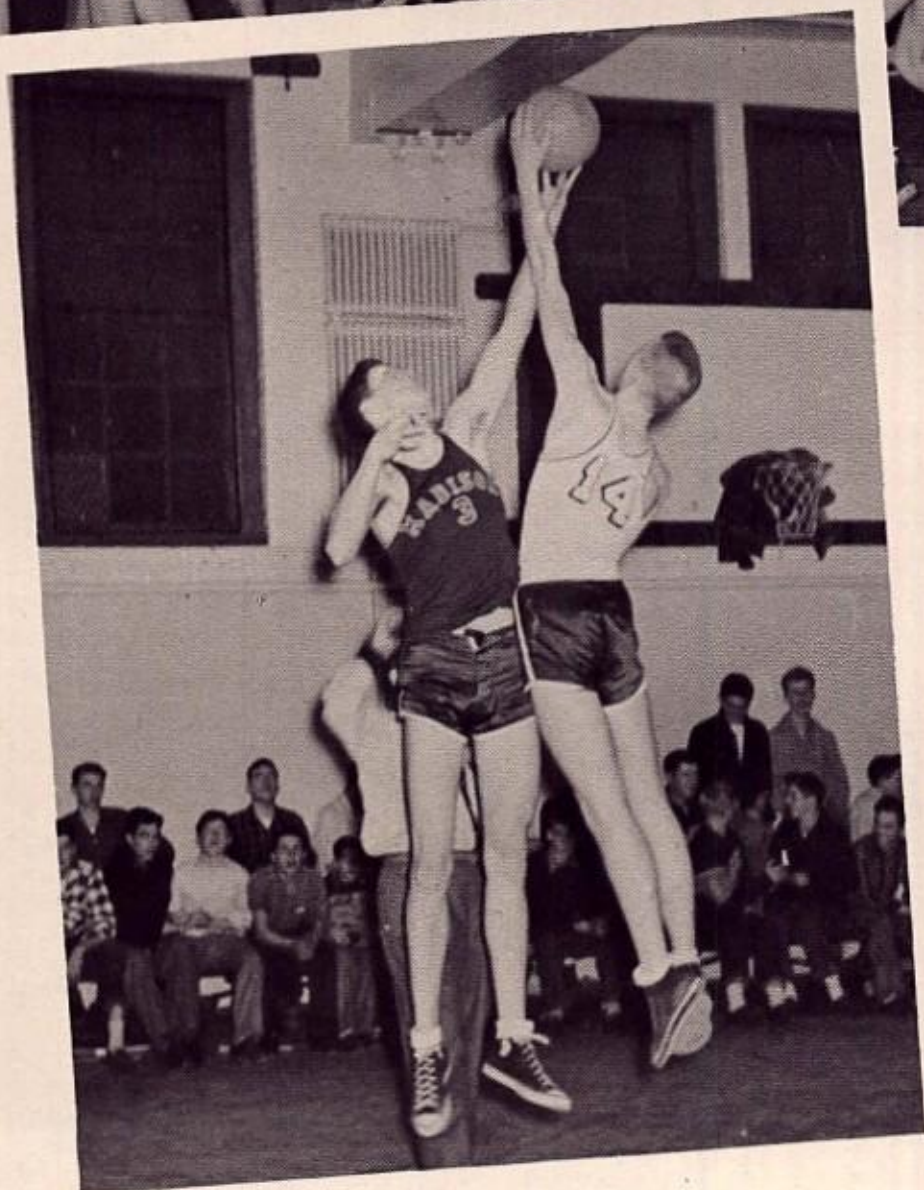

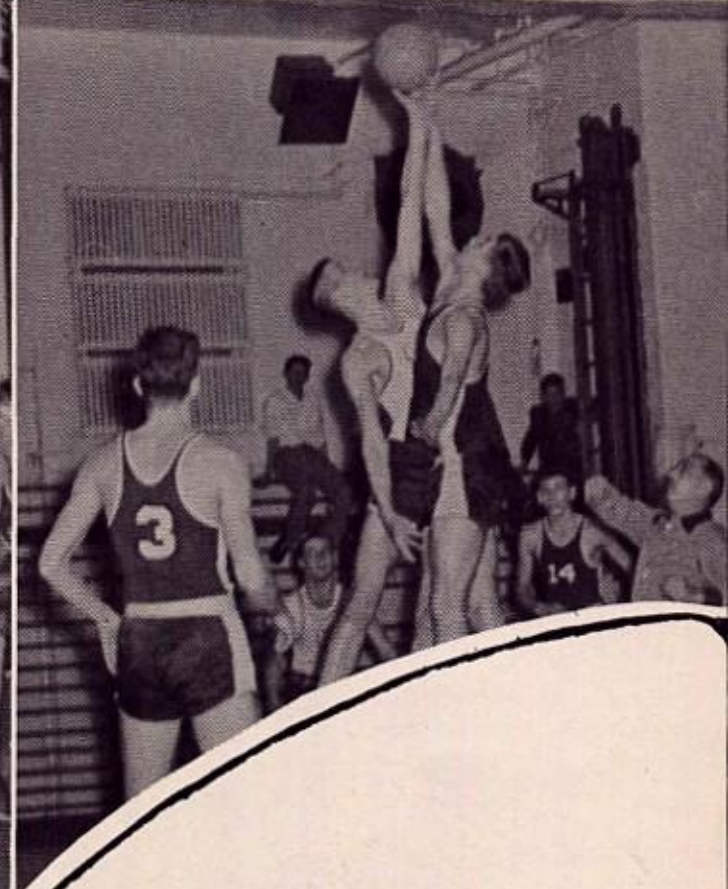

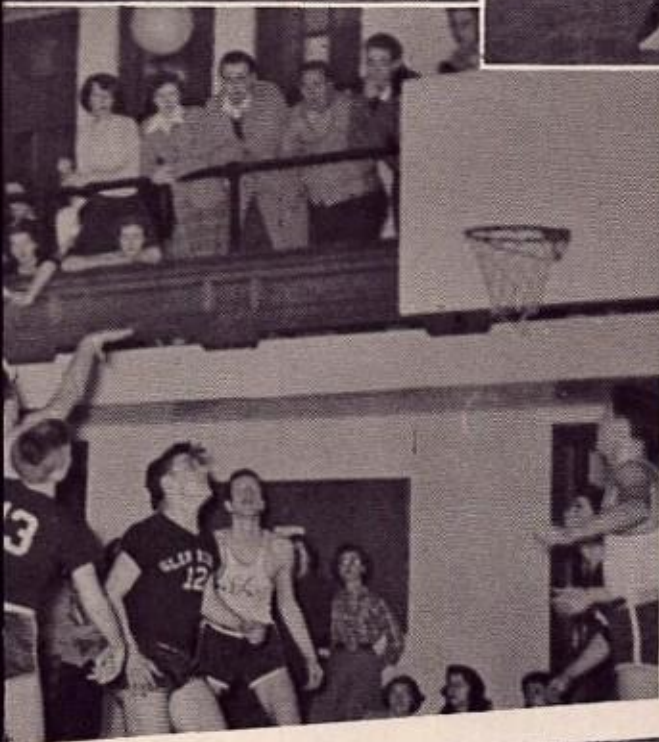

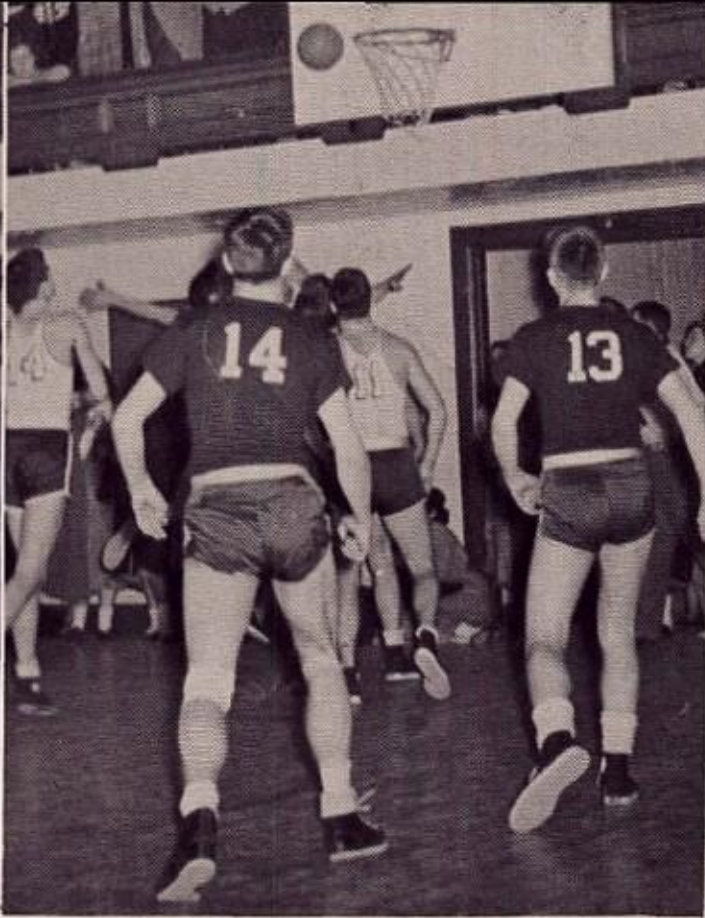

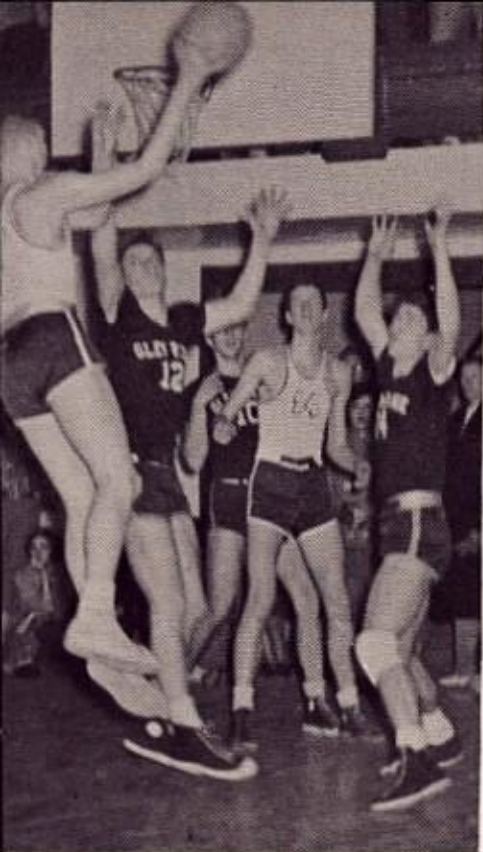

The second round of Conference Competition started with a 47-45 win over a stubborn Summit team. The second game with Glen Ridge was a hard-fought contest all the way. Leading up till the last two

minutes of play we were beaten 48-47 by a last quarter rally climaxed by Bob Meyer's last second jump shot.

Led by Jerry Bradley and Calvin Wolcott, Caldwell rolled up a 76-43 victory over Madison. After traveling to Verona to hand them a 48-40 defeat, we moved into a second place tie with Glen Ridge. In the last conference game, with Millburn, Caldwell made a determined attempt to upset the undefeated Conference Champions. Holding the high-scoring Millburn, "5" to 51 points, the Chiefs came close to handing them their only defeat of the season. Caldwell finished its Suburban Conference Schedule in third place with a 5 and 5 record.

This year, the basketball team was invited to the New Jersey State Basketball Tournament. Caldwell drew Hillside as its first opponent in one of the games at the Elizabeth Armory. The team had some trouble overcoming the tension of tournament play and getting accustomed to the big court. Caldwell came within 2 points of tying the score early in the third quarter, but the fast-breaking Hillside team increased their lead to 9 points and froze the ball for the last two minutes.

This year's scoring honors go to Bill Doran, who collected 191 points in 14 games. Wolcott, Bradley, Furlong and Pfister followed with 145, 115, 112, and 102 points respectively.

First row; left to right: Kenneth Schubert, Calvin Wolcott, Donald Kirwan, Dudley Culvert, Jerry Bradley, Bob Flinn, Fred Eckhardt. Second row: H. E. Third row: Jack Rosengrant, manager; Pete Hofinga, Jack Bradley, Jay Smith, Mickey Maline, Dave Bell, manager.

In 1949, Caldwell, for the seventh time in eight years, took the Suburban Conference baseball championship by winning 9 out of 10 conference games and 13 out of 15 games in all.

During the season the team won six games by a one run margin, showing their ability to perform under pressure. Our record (13-2) was one of the best in the state. This was proved when we were invited to the Greater Newark Tournament.

The pitching staff, led by "Clem" Culvert and Kenny Schubert pulled out several close decisions to preserve our undefeated conference record, until the last game of the season. The regular infield of Eckhardt, Kirwan, Bradley and Wolcott, with Al Pfister catching, proved to be the best in the Suburban Conference. The hard hitting outfield, Apfelbaum and Flynn, plus one of the regular pitchers was also tops.

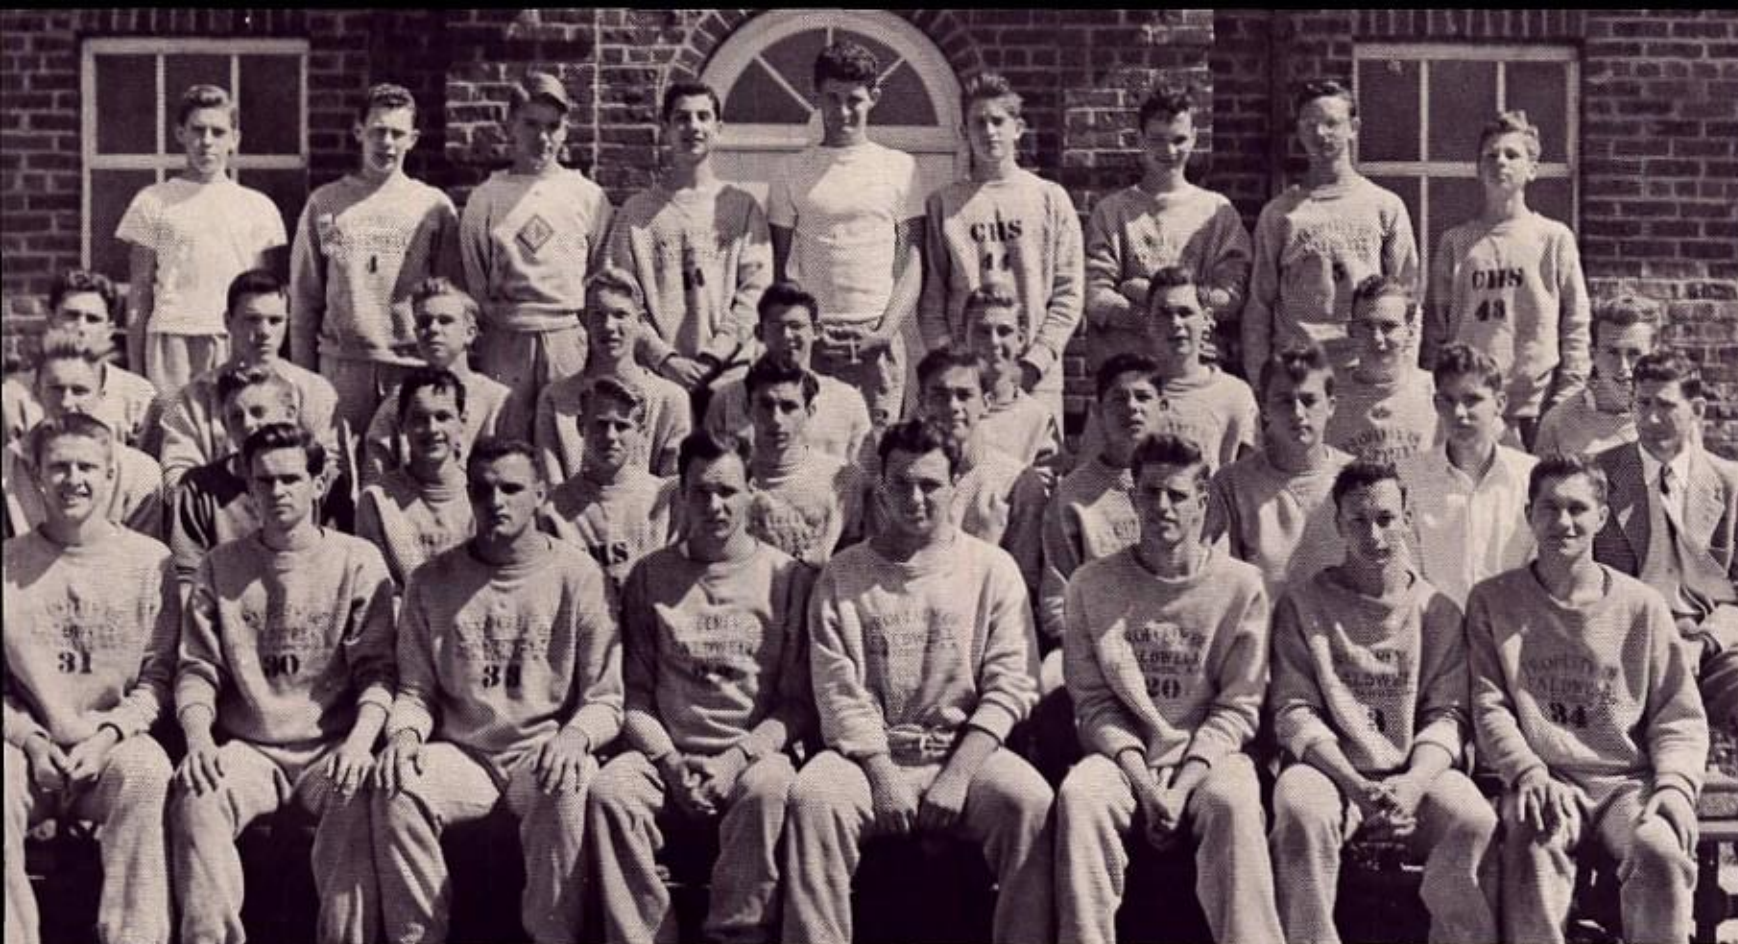

We must mention that "Clem" Culvert pitched for three years of regularly scheduled play without suffering a single defeat.

There are six returning lettermen to form the nucleus of the 1950 G.C.H.S. baseball team.

T R A C K

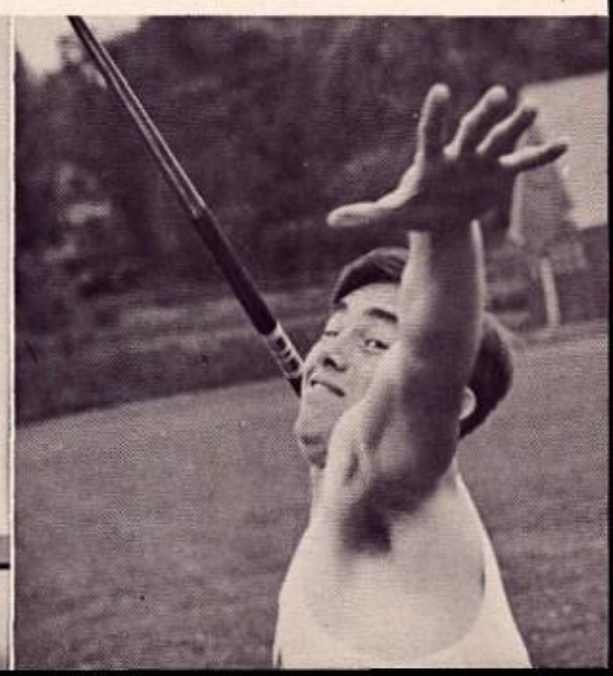

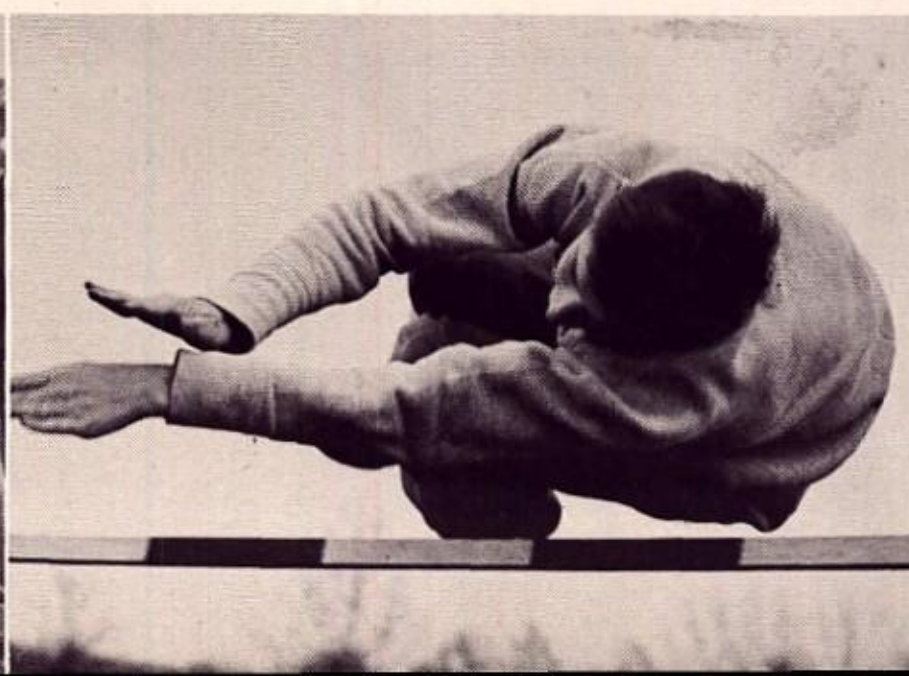

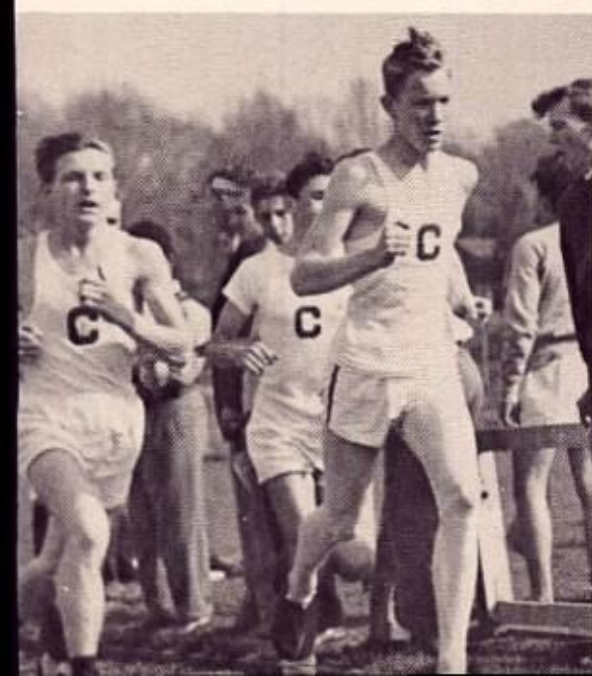

Caldwell's 1949 track team, under the able coaching of Mr. Emil Piel and Mr. Dwight Burr, had the best record of any previous G.C.H.S. track team. In the first meet we defeated Montclair Academy 43½-32½. We then defeated a strong Madison team 59½-57½. Next the team defeated Mt. Lakes by more than 30 points. Following this, Millburn and Clifford Scott were defeated 83-34 and 75-42 respectively. After placing second in a triangular meet with Glen Ridge and Summit our team lost to Verona 45-72.

George Reider was high scorer for the team, and he set a new individual scoring mark at Caldwell, running the 100 yard dash in 10.2 and 220 yard dash in 23.1. Another record breaker was Doug Seymour who ran the 880 in 2.4 and the mile in 4.47. Bill Jacobus broke the high hurdles record 17.02; Arnold Berg set a new shot put record of 48' 7½" both for the school and the Suburban Conference, and Don Shoolbraid broke the javelin record with a 148' toss.

Other standouts were Jack Riddell, Joe Mesics, Herb Voegler, Art Bracuti, Bernie Solomon, Peter Myers, Pete Brown, Harry Schmidt and Neal Simonson.

Let's give a cheer for our cheerleaders! Rain or shine, win or lose, these girls have done an excellent job in cheering our team to victory. We are very proud of this peppy squad of girls who, under the fine coaching of Mrs. Bordner, always led us with vim, vigor, and a smile.

Besides their excellent cheering, they will be remembered for their cartwheels, walkovers, flips, and other clever stunts. Their terrific pep-rallies and their enthusiasm certainly helped to improve our school spirit.

G.C.H.S. is very grateful to its cheerleaders for their fine contribution at all our sports events.

GIRLS' BASKETBALL

This year girls' basketball went off with a bang, with big scores and lots of thrills.

All four class teams had a good year by winning more games than they lost.

Caldwell's opponents were always hard to beat and every game had a close score.

The splendid coaching of Miss Adams and the unusual ability of our girls made the girls' basketball season at Caldwell High most successful.

HOCKEY

Considerable interest was taken in hockey this year with the forming of four class teams, which enabled more girls to participate. The blue and white made a good showing, winning the majority of games.

Vera Apple, the senior left inner, was the only Caldwell girl to make the All State 1st Team.

All teams had a comparatively successful year under the expert coaching of Miss Adams.

Last year seventy-six girls came out for softball and six intra-mural teams were chosen from this group. The best players of the intra-mural squad were chosen to represent us against outside competition. Caldwell was victorious in all games as the other teams were no match for the strong Caldwell team. Due to the fine team spirit and Mrs. Bordner's splendid coaching, the games were all won by wide margins.

GIRLS' SOFTBALL

First row: Clorindi Cenciarini, Audrey Collins, Pat Harrell, Arline Yancey, Doris Beck, Marva DuFore, Betty Bidault, Ruth Bidault, Anne Ekeman. Second row: Marion Zahn, Lois Lee, Mary Geoekel, Joan Browne, Pat Arra, Carole Weber, Kathleen Cannon. Third row: Anne Messarosh, Georgette Branin, Clair Schilling, Edna Searles, Sally Unfried, Anna Testa, Mrs. Bordner, coach.

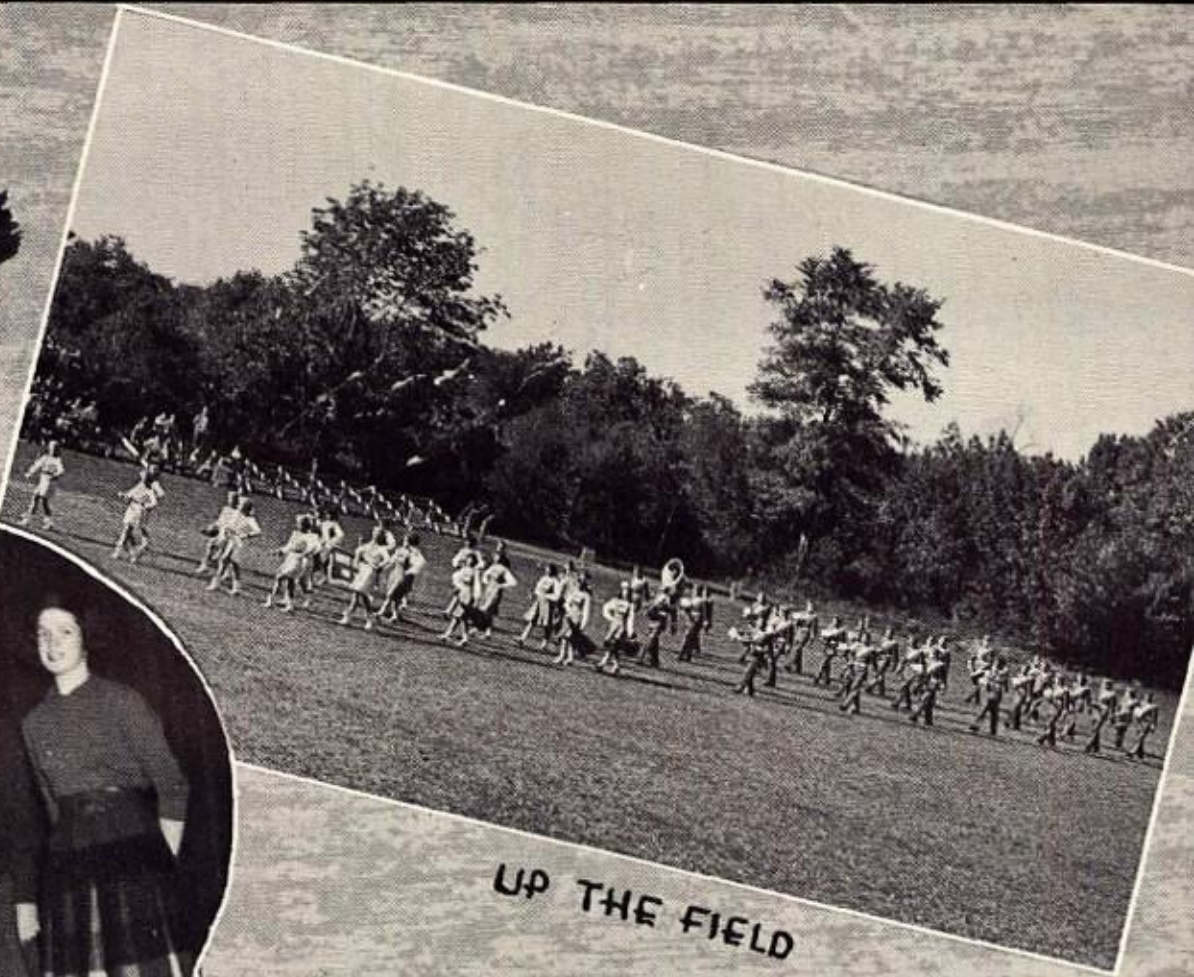

First row: Marilyn Brunner, Shirley Kelly, Nancy Baldwin, Shirley Dahl, Meta Everett, Carole Thorne, Betty Zahn, Barbara Christy. Second row: Carolyn Dugan, June Filipow, Dolores Dilley, Joan Armstrong.

Bowling has become increasingly popular in our school. Three days each week were devoted to bowling due to the large number of girls out for the sport this year. From a total of twenty-four intra-mural teams, eight played each day. Two teams, consisting of the bowlers with the highest averages, represented us in many matches against other schools. Again Mrs. Bordner's fine instruction sparked us to success.

ALMA MATER

Hark! Over the hills
Comes the sound of music
Listen, and hear
Those tones of harmony.
'Tis the sound
Of a thousand voices,
Pledging love and loyalty.
Blue and white,
Our banner bright,
Truth and honor
Give us light.
All together we will work,
We will fight, we will live
For Caldwell High.
